## DELUXE STAINLESS STEEL POOL BLANKET ROLLER

The Sunline Above Ground Roller Deluxe model is a durable, sturdy, and modern above ground roller that reveals an appealing modular design.

It is a trouble free and lightweight system that is perfect for handling and storing your swimming pool cover. The Roller can easily be operated by anyone. It takes less than a minute or so to retract or withdraw the pool blanket from your pool.

Available in a neutral metallic colour it can be made to suit most sized pools from 1.5 metres up to 5 metres.

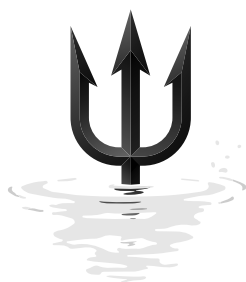

The Roller also features 100mm centre tube for strength. Durable design and long lasting components. An easy to use product that will offer years of trouble free service.

Heavy duty wheels for ease of mobility

Smart easy clamp system
